This is a formal letter of complaint for NO RESPONSE from neither ACLEI nor ACBPS/Border Force after repeated requests by me.

I have requested ACBPS/Border Force for an official investigation into misconduct, corruption and non-disclosure of CUSTOMS/ACBPS officers being present at the Scarborough marina on the 12<sup>th</sup> October 2010. Please advise me of official receipt and response and reasons why I have not had a response.

Please advise me of all personnel names, current work status and rank in ACBPS/Border Force that were part of Operation Collage/Bergonia and not disclosed. This forms no part of any ongoing investigation and the names are on the AFP crime scene log previously not disclosed to accused.

I request all evidence of Operation Collage/Bergonia be retained by ACLEI including drug evidence for independent testing.

A court order was issued in the Supreme Court of Queensland on the 09/06/15 to supply all names of ACBPS staff/officers in Operation Bergonia. This has not been done by CUSTOMS/ACBPS/Border Force and is in contempt of court.

The AFP says they have referred my request of them to ACLEI. Please notify me if this is correct, and what is the status of this?

This is another formal request for a response and status of what is being done, and what has been done by ACLEI regarding this case. Are ACLEI going to pursue charges to corrupt AFP and ACBPS/ Border Force personnel or are they simply continuing being promoted?

ACLEI is fully aware that accused/convicted have not been given the crucial evidence they were lawfully entitled to since 2010 that they have persistently pursued.

This is another request to ACLEI for immediate response and status of why multiple requests have been totally ignored by Border Force, Australian Crimes Commission and ACLEI.
