

Dear Senator/Minister

**RE: Border Force and Australian Federal Police Corruption
Operation Collage/Bergonia 2010**

This is an official request for someone to finally act against incessant corruption in Border Force and the Australian Federal Police. This has been raised with all members of the Federal Parliament before the election but largely ignored.

This inquiry needs to be asked with your Parliamentary privilege or even a public enquiry.

ACLEI, the agency tasked to investigate and charge for corruption are not acting even after they are given undisputable proof and material evidence for serious charges including perjury, misleading statements, tampering with evidence, removing property under seizure, theft and perversion of justice relating to AFP officers Aaron Burgess, Luke Read, Paul Watt, Simon Wynd, Luke O'Shea, Simon Castles, Christine Geissler, Karen Mazlin, Angus McGilvray, Carmen Begbie and William Tooth as well as undisclosed Border Force officers.

It has been both surprising and disturbing concerning lack of any action by ACLEI since 2012 considering the serious non-disclosure, corruption and cover-ups in Operation Collage/ Bergonia.

What is the point of giving information to an organisation who then does not act on it?

Minister Dutton stated on official response dated 2 May 2016 that "I understand that ACLEI continue to assess a number of matters raised by Mr Golding. Please be advised that your correspondence has also been forwarded to ACLEI for consideration".

ACLEI stated last week to me that no material or correspondence has been forwarded by Minister Peter Dutton which equates to him lying on Ministerial letterhead and not taking a serious stance against corruption in Border Force. The worrying other point is , how does Minister Dutton know what or how many matters I have raised with ACLEI when ACLEI state they have not received anything from him?

Minister Dutton is hiding Border Force Corruption whilst he Pontificates about spurious border protection issues. Until you do something then the stain of incessant corruption will grow and multiply which is in no way for the best interests for the Australian people.

On the 8th July 2016, the 1st assistant secretary of Integrity Security and Assurance, Mr Stephen Hayward of Border Force replied to my further enquiry put to Minister Dutton by Senator Jacqui Lambie stating that Border Force can assist in no way and the non disclosure and corruption issues in Operation Collage/Bergonia are being investigated by ACLEI.

entitled to accused and imperative for a fair trial according to Australian law. This is information that should have been provided in the Brief of Evidence but instead was hidden by ACBPS/Border Force and Australian Federal Police. For Border Force to now state that they cannot provide me with names and statements of officers present on the 12th October 2010 is more lies.

The officers form no part of any ongoing investigation and I have a legal entitlement to this information as I did in 2010. The further the non disclosure goes on, the further the Malicious Prosecution and an Abuse of Process goes on. What is the point of having 5 years of court cases and then appeals when imperative information that was pursued for a fair trial was never legally disclosed to accused?

I am subject to a miscarriage of justice due to perjury of ACBPS/Border Force and the AFP. This can be substantially proven.

The crux of the perjury, non disclosure and corruption in this case is that ACBPS/Border Force officers were caught with stolen evidence days after the arrests. This was, and still is hidden. Border Force is still pretending officers were not present on the 12 Oct 2010 at Scarborough Marina and lied in subpoena and under oath. This was made evident after an FOI request and also a media enquiry by Ross Coulthart of 60 minutes as well as available in transcripts during my five years of court proceedings.

AFP also lied about this up until the last trial, where it was disclosed that "up to 20 CUSTOMS agents were present at the Scarborough Marina on the 12th October 2010". AFP waited over 5 years to disclose this. The first trial in December 2014 was mistrialed due to non disclosure and perjury by the AFP.

Background to FOI Decision

On 24 July 2014, Mr GOLDING sought access to the following documents held by ACBPS:

1) a document that identifies the name of the Customs Officer or Officers, arrested, questioned, investigated or made subject of any allegations at the Vinyl Room nightclub in Sydney on or about 14/15 October 2010, and a document relating to the names of others that were/may have also been involved;

2) a document that identifies names of all/any Customs staff disciplined, questioned, investigated, charged, or made the subject of allegations in any way as regards claims of the quantities of confiscated cocaine stolen from the Mayhem of Eden and/or Operation Collage/Bergonia at Scarborough in October 2010; and

3) a document that identifies names of all/any Customs officers present at Scarborough Marina (28 Thurecht Parade, Scarborough QLD 4020) for Operation "BERGONIA" and/or OPERATION "COLLAGE" on the 12th October 2010".

This is on the basis that no allegations related to ACBPS officers were received by Integrity and Professional Standards in relation to the seizures at Scarborough Marina in October 2010 and **no ACBPS officers were present in the Scarborough Marina precinct at the relevant time.**

The 20 or so ACBPS/Border Force officers present at the Scarborough Marina on the 12th October 2010 are still not disclosed by Border Force. They are hidden for corrupt reasons and it is my understanding that around ten were caught with stolen cocaine from the seizure in the days after the raid at Scarborough

Some detailed information and court transcripts of AFP and civilians stating that “up to 20 CUSTOMS agents were at the Scarborough Marina on the 12th October 2010” and other attachments can be found below.

I sincerely hope you act on this serious issue and I look forward to any response

Simon Golding
